Erster Aufzug.

Scene I. Der Venusberg.

Die Bühne stellt das Innere des Venusberges dar. Weite Grotte, welche sich im Hintergrunde durch eine Biegung nach rechts wie unabsehbar dahinzieht. Im fernsten sichtbaren Hintergrunde dehnt sich ein bläulicher See aus; in ihm erblickt man die badenden Gestalten von Najaden; auf seinen erhöhten Ufer-Vorsprüngen sind Sirenen gelagert. Im äussersten Vordergrunde links liegt Venus auf einem Lager ausgestreckt, vor ihr halb knieend Tannhäuser, das Haupt in ihrem Schosse. Die ganze Grotte ist durch rosiges Licht erleuchtet, den Mittelgrund nimmt eine Gruppe tanzender Nymphen ein; auf etwas erhöhten Vorsprüngen an den Seiten der Grotte sind liebende Paare gelagert, von denen sich einzelne nach und nach in den Tanz der Nymphen mischen.

Scene III. Tannhäuser. Ein junger Hirt. Pilger.

Tannhäuser, der seine Stellung nicht verlassen, befindet sich plötzlich in ein schönes Tal versetzt. Blauer Himmel, heitere Sonnenbeleuchtung. – Rechts im Hintergrunde die Wartburg; durch die Talöffnung nach links erblickt man den Hörselberg. – Rechts führt auf der halben Höhe des Tales ein Bergweg von der Richtung der Wartburg her nach dem Vordergrunde zu, wo er dann seitwärts abbiegt; in demselben Vordergrunde ist ein Muttergottesbild, zu welchem ein niedriger Bergvorsprung hinaufführt. – Von der Höhe links vernimmt man Geläute von Herdenglocken; auf einem hohen Vorsprunge sitzt ein junger Hirt mit der Schalmei dem Tale zugekehrt.
